### METHODIST CHURCH.

#### Vacation School.

The Vacation School that has been in progress at the church for the past two weeks has met with splendid success. There have been 82 enrolled in the various departments, and the attendance has been fine. 15 workers have also been in attendance, and co-operating in the program.

The closing exercise will be Friday night, with a program, refreshments, and a social hour together. A good attendance is expected.

The Christian Culture Institute that was held here last week had the backing of our young people. Ten received certificates, and there were a number that attendd, but because of age or the failure to do the required work did not receive credit.

#### Young People Program

Sunday night the young people will give a religious drama, as a special feature of the evening program. You will do well to see it, as we feel that it will present a vivid picture, and help each one into a better appreciation of Man's relationship to his maker.

#### Former Pastor Will Preach

Sunday morning, we will be favored by a message from one of our very much loved, and retired ministers, Bro. J. M. Alexander. We trust that every member may be able to be present Sunday morning.

#### Standard Training School

The Standard Training School for Hondo, Yancey, New Fountain and Sabinal will be held in Hondo, Sept. 4 to 9th. The courses to be offered are: Bible, by Dr. Curry; The Methodist Church, by J. Leonard Rea; Stewardship, by H. M. Ratliff. Make your plans to be in this school it is for all Christian folks.

### MARRIAGE ANNOUNCED.

Friends and relatives here have received the announcement of the marriage of Miss Kate Henderson to Mr. Lawrence Morris, the wedding having taken place July 30, 1932, at Three Rivers, Texas. Mrs. Morris was visiting friends at Three Rivers at the time.

The bride is the daughter of Mrs. J. H. Henderson of this place, and has a large circle of friends here who join in her happiness.

Mr. and Mrs. Morris are expected to arrive in a short time for a visit with relatives here.

This paper extends congratulations and best wishes to the happy couple, and feels sure Mrs. Morris will enjoy the esteem and friendship in her new home that she receives here.

### ROAD TO BE VIEWED SOON.

County Judge R. J. Noonan has the promise of Division Engineer Rollins of the Highway Department to view the proposed Hondo-Devine Highway within the next week. This is the next step and his recommendations will doubtless determine the action of the Commission in approving or rejecting the route.

Judge Noonan is very hopeful of securing a favorable report, and that an early start will be made on construction.

Employment for local labor, teams and trucks would be of great help to the county during the fall and early winter months.

### RIGGING UP FOR MARTIN TEST.

The machinery and the tools for the big Fort Worth spudder arrived on the ground Wednesday at the site for the Martin No. 1 test well on tract No. 368, Henry Castro survey. This site is ten miles southwest of Hondo and two and a half miles northwest of the producing Ina field and is a promising location. Mr. Ryal who located the site and is backing the test expects the rig to be up and everything ready for spudding in the well by Monday of next week.

### BAPTIST NEWS NOTES.

Services at the Baptist church on next Sunday at the usual hours, excepting the night service which will be united with our Methodist friends at the Methodist church. The lesson for Bible study is found in the 33rd chapter of Exodus, verses 7-16. Let us all carefully read this chapter for a better understanding of the story. The Baptist Sunday school is proposing an oldtime Sunday school picnic. The date and place will be announced on next Sunday morning. We trust all the teachers and pupils may be present to hear these announcements. And it is hoped that every one possible may arrange to go.

At the eleven o'clock hour the Pastor will speak on God's Call to the Human Heart. You are invited to be present and hear the discussion. It might do your heart good. And note well: we are to have some very special music. It will be greatly enjoyed by all. The Community of Baptists are pleased to have a brief visit from one of the former Pastors, the Rev. Martin, now living in East Texas. Not a few of our people sincerely love this good man.

Our young people's meetings for the week are to meet as usual. Our services for August 28th will be held on regular schedule. The weather seems to be moderating somewhat. It is hoped our folks may now venture out with fresh purpose and hope to make our Christian work more effective as the fall months approach. Let high purpose and good will to all be our motto.

#### The Pastor.

He has been kept busy this summer doing manual labor during the week at Seguin and occupying the pulpits of several churches in San Antonio and vicinity on Sundays. We are glad to be able to hear Mr. Falkenberg once more before he leaves to finish the course preparatory to entering the office of the Holy Ministry. All friends and visitors are heartily welcome. ### QUIHI NOTES.

"All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies. Psalm 25:10.

On Aug. 1st the Rev. C. P. Hass-karl and his dear wife left for his new charge near Brenham, taking with him the blessings and good wishes of this parish and whole community which he had served so genially and successfully for almost a decade.

After an extensive journey through northwestern Iowa with its bumper corn crops, over the fertile sections of Nebraska, the sunny spaces of Kansas beset with twinkling orchards, hilly Oklahoma with its reddish soil and romantic sceneries, driving in rain, fog and extreme temperatures, the newly called pastor, C. Weeber, and family landed safely at their destination to assume the duties of Bethlehem's and St. John's parish. Over a week was consumed on the road—at a moderate speed. Speed contestants might have used half of this time, but "safety first!"

The kind people of the parish had already unloaded the carload of household goods and transported them to the parsonage. Generous hospitality was offered at the home of Mr. J. Oefinger and many helping hands aided in putting things at their proper place while others had been busy beforehand to give the surroundings a semblance of welcome. Thanks are due to all of them; in particular to Mr. C. W. Grell who is still applying his faithful skill to some renovations within the building.

Several clergy friends looked up the new pastor; among them the Rev. Dr. H. Krause of McGregor, Rev. K. Korzek of Castroville, Rev. W. C. Leibfarth of Hondo and Rev. A. Beget of Osage, Texas. It was easy to establish and re-establish connective links between the past and the present and find the proper incentives for acclimatization in the new home.

Installation services were had on Sunday when the new incumbent preached his first sermon to an appreciative assemblage on John 10:27-28. The installation proper was under the auspices of the Rev. G. Langner of Knippa who had motored over here accompanied by his son, Dr. G. Langner, and his daughter, Miss Sophia. After a practical and emphatic discourse on the various duties of a minister; namely, to preach the Word (without dabbling and detouring into fictions and fancies and secular issues) he administered the impressive rites of installation in conjunction with the vestry of the whole parish. The Bethlehem choir rendered several selections of their rich repertoire. English services were held in the evening by the new minister and at both occasions it was a pleasure to meet the new parishioners.

Divine service will be arranged for in the German language at the Bethlehem's church next Sunday. No better place for you on the Lord's day. Come, let us worship together. Get acquainted with your pastor at the same time, and help him towards the establishment of that confidence which is so fundamentally needed in the blissful relation between parish and pastor.

On next Sunday evening, at the usual time, the Luther League of Quihi will present its monthly program. A declaration by Miss Florence Grell, readings by Milton Oefinger, Misses Pauline Graff, Esther Neuman, Alma Saathoff and musical numbers by Misses Hulda Oefinger and Della Hartmann, plus an instrumental piece by Miss Eline Saathoff and a lecture by the pastor. The Male Chorus under its able leadership will present a number selected by Wm. Schuehle. Said Luther League is enjoying a well-earned reputation and needs no boosting. Suffice it to know that you are cordially invited for a genuinely pleasant evening.

The new pastor has come to be your friend and spiritual adviser who you accept of his ministrations without hesitation? He is here for you without reservation. To be an asset for the whole community; to be a blessing for old and young; is his ardent wish and prayer. His heart and home are open for you—at any time.

### KING-JOHNSON.

The announcement of the marriage of Homer King of Hondo and Miss De Alva Johnson of Uvalde came as a delightful surprise to their relatives and friends this week. The wedding took place Saturday, August 13, 1932 at the home of Rev. Marshall in San Antonio, with Rev. Marshall officiating. After a brief honeymoon the young couple are visiting the groom's parents, Mr. and Mrs. H. F. King this week before going to Batesville where Mr. King is engaged in teaching in the High School.

Homer attended Hondo High School, graduating in 1927, after having taken a very active part in both literary and athletic activities. He received his B. A. degree in 1931 from Southwestern University Georgetown, and the past year was spent in teaching at Batesville. Mr. King's home is in Uvalde and she was taught at Batesville the past year.

The Anvil Herald joins the man friends of the bride and groom in extending congratulations and wishes.

Railroad Commissioner's Re-election Assured, State Reports Indicate

Leading in more than 187 counties in the first primary, with a margin of 152,917 votes over his nearest opponent, also carried a majority of Counties in West Texas, his opponent's territory, and with the announcement of Roy L. Tennant, who ran third, that he will cast his vote for him, Railroad Commissioner C. V. Terrell will be re-elected to his second full term, supporters believe, by an overwhelming majority in the approaching run-off election.

In the first primary, Terrell received in Medina County almost three times as many votes as did his present opponent.

Representative A. P. Johnson whose nomination for re-election to the office of Representative for the 77th District of Texas, is being contested by his opponent, Joe Caldwell, in the recent primary election, was here Friday, and, in company with the County Chairman, Fletcher Davis, went to Medina Lake where they received the belated election returns from the precinct election judge and deposited them in the safe-keeping of the County Clerk. The Medina Lake box cast ten votes for Johnson to two for Caldwell, but as the returns had not been made at the time of the official canvass by the executive committee, they were not counted.

Hy. R. Wernette informs us that another of his sons, E. J. Wernette, has recently been promoted to the Managership of the El Paso district for the National Life and Accident Insurance Company. An older son, H. R. Wernette, Jr., has held a similar position for some time with the same company in the San Antonio district. Another and younger son, R. C. Wernette, has recently been promoted to the Superintendency of San Antonio District No. 1. This is a splendid record for three brothers to be making good in a big way with the same company.

O. G. Crow painted The Fletcher Davis Publications a sign this week, so now when strangers ask the way to the print shop you can tell them to look for the sign. We think it is a good sign—and "Getter did it". In fact, Getter did it all by himself with his little brushes. And he will paint one just as good for you, if you ask him to do so.

Scout master M. L. McDowell and seven Scouts, namely Jackie Schuehle, Anthony Jungman, Robert David Windrow, Orenith Fly, Jr. Leroy Crow, James Gray of Dunlay and Clinton Jagge, returned Thursday from a nine days outing at Camp Fawcett, the district scout camp, on the Nueces River.

Mr. and Mrs. Caughey Horger and three children, Wahnona, J. C., Jr., and Frances, and their niece, Miss Gladys Cherry, are here from Norman, Oklahoma, on a visit to Mr. Horger's parents, Rev. and Mrs. J. T. Horger. Mr. Horger is a student teacher in a Nazarene Church College at Norman.

Oscar Tondre was over from D'Hanis yesterday and placed his announcement for re-election to the office of Commissioner of Precinct No. 3 in the columns of this paper. Mr. Tondre has filled this position for several terms and is widely known all over the county as well as in his precinct.

We had hoped only one "depression edition of the Anvil Herald" would be necessary, but the depression has deepened since last issue, so here is another. Since we are giving all the local news we can get any way, we hope no one will complain at the reduced size.

### COLLEGE EDUCATION.

The following startling figures are based on records of the United States Bureau of Education:

Seven out of every ten who launch out on a four years college course never finish. It is sad to think that seventy per cent of our ambitious boys and girls are so disappointed in their life's aim, but what will be worse this fall is the fact that most of them will realize the impossibility of their being able to finance a four-year's college course.

Young friend, don't let these facts discourage you. There is another way; achieve success by securing a thorough business training in the Byrne Commercial College. Spend from three to five months in Byrne College and you can accept a government position or a position with a good business firm, or get a secretarial or accounting position in connection with the college or university you wish to attend and earn your way through college. We have had boys and girls to make their way through a four year's college course with a Byrne training. Some have good positions during the summer, save their money and pay for their college training during the winter. Others accept part time office work while attending the university and earn money with which to pay their expenses.

Should you find, after completing your business education and accepting a position with the government or a business firm, that you prefer being a business man or woman rather than a professional one, you would have that privilege. The expense of attending Byrne College from three to five months is so much less than attending a university even for one year that most any boy or girl can make the necessary financial arrangements.

The Byrne Colleges are all located in large cities where spare time work may be had to earn board and room. The College also has an installment plan of paying tuition which is an accommodation to many.

However, a homestead consisting of 200 acres valued at \$10,000 is claimed as exempt. A section of land, 640 acres, valued at \$38,000 will be available for settlement of claims, \$21,571.06 of which are secured. Unsecured claims total \$15,896.34.—S. A. Express.

**Save and Buy a Home**

There always will be good demand for homes and fields and fertile land; And those who put their savings by Can own a home if they but try. The man who lives from day to day, Keeps paying rent that he may stay, Had better own some little place And start from there to win life's race. The Hondo State Bank knows of a plan Where you can buy if you're the man.

## THE COMMERCIAL USE OF TEXAS HIGHWAYS IS A PRIVILEGE, NOT A RIGHT

● The highways of Texas are the property of its citizens. They constitute a system of nearly 200,000 miles of road of which 20,000 miles are designated as State highways and the remainder are county roads. All types of road are represented in this system, less than 5% have so-called "permanent" surface.

The total cost of these highways is unknown but it amounts to many hundred million dollars. From 1917 to 1930, inclusive, counties and road districts of the State issued \$243,592,834 in bonds for the construction and improvement of roads and bridges. In the two-year period ending August 31, 1930, the State Highway Commission expended \$89,032,925, of which \$22,488,426 was for maintenance of the State highways.

In view of these tremendous costs the preservation of our highways from rapid wear and destruction is a matter of very vital interest to their owners, viz., the public. It is especially important that they be made to outlast the life of the bonds, which run from 20 to 30 years.

The use of the public highways for commercial purposes is not a right but a privilege which may be withheld or granted subject to such restrictions, regulations and charges as the Legislature may see fit to impose. Such regulations are intended to promote safety, preserve the highways and safeguard the interests of the public.

Texas Railroads, which pay the entire cost of construction and maintenance of their own roadbeds and, in addition, make substantial contributions to the cost of Texas highways, are thoroughly regulated with respect to their services, rates, methods and practices. There is no good reason why commercial users of the highways, built and maintained at the expense of the public, should not likewise be regulated to such extent as the public interest requires and pay such charges as will represent proper compensation for the privileges granted them.

● The statutes governing highway transportation as enacted by the Forty-second Legislature represent the wishes of the citizens of this State and express their desire to give equal rights to all and special privileges to none. These statutes should be given a fair trial and their value ascertained. Unless this is done, a chaotic condition in transportation as a whole will surely ensue.

LA COSTE LEDGERETTES

From The LaCoste Ledger.  
FARM PROJECT ASKS RECEIVER.

That the San Antonio Suburban  
Irrigated Farms, a huge project  
sponsored by Medina Lake, may be  
thrown into bankruptcy proceedings  
was indicated as a possibility Tues-  
day by Federal Judge DuVal West.

Judge West had heard the applica-  
tion of the Farms to make receiver-  
ship proceedings, which apply to only  
part of the vast project, general.

If either general receivership or  
bankruptcy proceedings are followed,  
the townsites of Natalia, as well as  
other personal property of the farms  
company, valued approximately \$25-  
000, will be included, it was said.

Judge West suggested that all at-  
torneys interested in the matter in-  
vestigate the possibility of bankrupt-  
cy proceedings might be preferable  
or necessary now, due to the state  
of the company's finances. The court  
promised a hearing in chambers Wed-  
nesday.

Marshall Eskridge, attorney for  
the San Antonio Suburban Irrigated  
Farms presented a motion asking  
the receivership be made general.  
He told the court about 28,000 acres  
are not affected by receivership  
proceedings, precipitated when the  
Wheeler Hagney Kelly Trust Com-  
pany, trustee, sought this method to  
protect its lien for more than \$1,000-

"I have been taking Kruschen  
Salts for 4 months and I think they  
are wonderful. I am 32 years old  
and 5 ft. 2 in. tall. I was very fat.  
I weighed 165 lbs. and now I weigh  
127 lbs. and feel fine. If I let up  
taking the Salts one morning I feel  
lazy and heavy", Mrs. Florence  
Loftus, Boston.

This is just one of hundreds of let-  
ters we get every month—Kruschen  
not only causes you to lose fat but  
while you are losing it you gain in  
health—in vivaciousness—you lose  
fat where fat is most prominent and  
at the same time keep stomach, liver,  
kidneys and bowels functioning  
naturally.

Any drugstore in the world will  
sell you a jar of Kruschen for a trif-  
ling sum—take one-half teaspoonful  
in a glass of hot water every morning  
—go light on fatty meats, potatoes  
and sweets. But for your health's  
sake demand and get Kruschen Salts  
—imitations are numerous. It's the  
little daily dose that does it.

### DEVINE NEWSLETS

From The Devine News.  
HIGHWAY COMMITTEE WENT TO  
AUSTIN TUESDAY.

County Judge Noonan, Commis-  
sioner J. W. Roberson, H. D. Talley,  
H. W. Eschenberg, Mr. Langston, and  
perhaps others whose names we did  
not get, went to Austin again Tues-  
day to see that the proposed new  
straight road between Devine-Hondo-  
Jourdanton is kept before the High-  
way commission. We understand  
that the State Engineer has recom-  
mended a straight road from Hondo  
via Biry to Devine to connect the two  
highways at either end. Pearsall and  
Uvalde were expected to be there to  
get a highway designated between  
Pearsall and Uvalde. It is not  
thought the commission will grant  
two such cut-offs, however, and there  
may be a contest regarding the mat-  
ter. A committee from Jourdan-  
ton was to be there also.

counties. He was married three  
years ago to Miss Alberta McCall of  
College Station, who survives him  
with his parents and two sisters;  
many relatives and friends without

### CASTROVILLE CHURCH NEWS.

August 14, Lutheran Zion's church, Castroville. Divine services at 10 A. M. in the German language. Sunday School begins at 9 A. M. All children are kindly requested to be present and to receive the new Biblical history books.

The next meeting of Zion's Luther League will be held on Sunday, August 21, at 8:30 P. M. The present membership consists of 39 members. This good beginning is full of promise for the future. All the young people should realize how much such a movement and organization may mean for their own development along those lines that help to attain the ideal. Please don't forget that this work is being done for your own welfare; attend all the meetings and bring your friends along. That will be a kind of mission work too.

The picnic last Sunday was well attended. In the morning we had divine services. The subject of the sermon had to do with a very well known story, namely the Pharisee and the Publican. The speaker emphasized the teaching of the Bible that God resisteth the proud and giveth grace to the humble. The church choir and the Sunday School rendered several hymns accompanied by organ and violin, the latter played by Miss Tinsella Wurzbach.

Besides the fine musical numbers during the afternoon program the audience had the pleasure to listen to the excellent and educational addresses given by Rev. Leibfarth and Superintendent Saathoff of Hondo. After this feast of the mind our good people provided ample material for a feast of the body. In spite of the heat of the afternoon the picnic was enjoyed by everybody.

### IN MEMORIAM.

In loving remembrance of our dear great Grandmother, Mrs. Anna Haass, who died August 1, 1932. Another loved one was called to leave For a land of love and peace Where the weary souls rest is given, Everlasting reward in a place called heaven.

We feel it is hard from our loved one to part But we know it was the will of the Lord That her soul should be wafted to the Heavenly heights Where our loving Father's glory is in her sight.

Of life's pleasures she had many a share, Having also a part in trouble and care. But now of life's duties she is free, And forever she will enjoy Eternity.

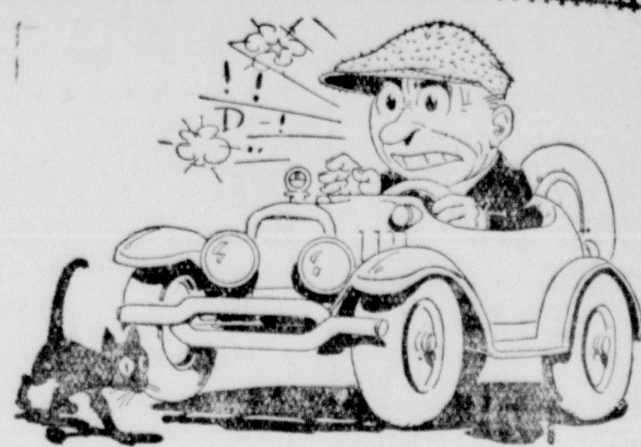

Oh children, it's only a few short days That you can see your mother's face. Therefore weep not but cheer up and say The day of our reunion will be a happy day.

Farewell, dear and beloved great Grandmother. In heaven we shall meet again. By her great Granddaughters, Elsie and Shirley Boehle.

## TO OUR SUBSCRIBERS.

In addition to increasing our postal rates on mailing our papers about 25 per cent, the Hoover scheme for relieving the depression compels the post office to charge us two cents for every notice of change in address it delivers to us. You can send us a notice on a 1c postal card and not notice it, but a 2c charge on us will soon aggregate a burdensome sum to us, so we beg of you to not leave it to the post office to notify us of change of address but do so yourself as soon as a change is made. Postmasters are asked to send no notice until several undelivered papers are accumulated and then only one. Thanking you in advance, we are,

## \$10,000 WAR INSURANCE SOUGHT.

An unusually dramatic war risk insurance case was filed in federal district court Wednesday. Henry G. Adams, administrator of the estate of Monroe B. Adams, deceased, and Laura May Butts, beneficiary of the dead man's will, sued on a \$10,000 policy. Adams, it was said, "departed from this life" on July 21, 1922, and the passing was called an untimely death. As a marine he entered the war early and was badly burned with mustard gas at Chateau Thierry, it was charged. He lost his eyesight, his body was scarred and he was ill until the death, the suit stated.

Adams had lived in Medina county and his relatives reside there now.

## TO MY MEDINA COUNTY FRIENDS.

Please do me the favor of reading the following:

## TO THE PEOPLE OF TEXAS:

I take this means of expressing to you my sincere thanks and appreciation for the many honors bestowed upon me.

You, no doubt, know that I am a candidate for re-election for my second full term as your Railroad Commissioner. Due to the heavy duties and the heavy duties placed upon the Commission at this time, it compels me to rely upon my friends to take care of my interests in this campaign.

In the first primary, in which I was elected to my first full term and am now serving, I carried 234 of the 256 counties of our great State by a large majority, over two honorable opponents.

Since my election to the Commission, we have turned back into the General Revenue Fund more than \$500,000.00. We have heard and rendered decisions on more than fifteen thousand cases, and have had only four reversals—a record unsurpassed by any similar body in the United States.

A faithful discharge of public duty in the past is the best guarantee of a promise to perform a like service in the future.

Your vote and support earnestly requested.

Sincerely yours,  
C. V. TERRELL,  
of Wise County.

Your support of Mr. Terrell will be appreciated by me.

Yours truly,

SHOWER.

On Sunday afternoon Misses Frieda Weynand and Buelah Rudinger honored Miss Ella Mae Rudinger, bride-elect, with a linen shower at the home of Miss Frieda Weynand. Various games were played and prizes awarded to winners of contests. Refreshments consisting of cake and punch were served to about twenty-five guests. Miss Rudinger was the recipient of many beautiful and useful gifts.

CROWLEY-RUDINGER.

The wedding of Miss Ella Mae Rudinger, daughter of Mr. and Mrs. Walter Rudinger, and Walter Crowley, son of Mr. and Mrs. W. J. Crowley, was solemnized Monday afternoon at the Hondo Baptist church, Rev. R. W. Merrill officiating. The attendants were Mr. Carl Rudinger and Miss Frieda Weynand. The church was beautifully decorated for the occasion.

Immediately following the ceremony the bride and groom returned to the spacious residence of the groom's parents where a luncheon was served to the members of the wedding party. In the evening a large crowd, numbering about eighty friends of the young couple, gathered to celebrate the happy pair. A merry evening followed, dancing was indulged in until a late hour and several vocal selections were enjoyed. A brilliant moon shed a soft glow upon the beautiful and stately ranch building and surrounding grounds, creating a very romantic effect, and thus amid the proper setting the young couple ex-

perienced the "end of a perfect day".

SOCIAL CLUB.

One of the very attractive parties of the summer was that given by Mrs. W. E. Albrecht complimenting members of the Social Club and other friends in her home. JONES BROTHERS

MRS. CAROLINE BROTZE.

Caroline Brotze, nee Richter, was born on May 20, 1840, in Doerflingen, Wuertemberg, Germany, the daughter of Mathis and Christina Richter. In early infancy the departed was made a child of God through the Sacrament of Holy Baptism. She was fortunate to have faithful Christian parents who brought their child up in the fear of the Lord and in the fundamentals of the Lutheran Faith. At the age of nine years she sailed to America with her parents, who were armed with a spirit of adventure by even more so a firm trust in the Providence and Protection of God. The pioneers settled on the Salado, east of San Antonio, where they established their home, and where the departed attended country school. She was joined with Paul Brotze in holy wedlock on June 17, 1857. This young pair made their home at D'Hanis, where the departed has lived unto her end.

Sowell's Texas Indian Fighters, page 442, says:

"Another old pioneer of D'Hanis is Mrs. Caroline Brotze. She was born in Wurtemberg, Germany, and came to America, landing at New York in 1849. The trip across the ocean was very slow, consuming six weeks. She came to Texas in 1850, and first lived on the Cibola and then on the Salado, east of San Antonio, coming to the Seco in 1856 and settling where she now lives, about a mile north of new D'Hanis. Mrs. Brotze has had some interesting experiences on the frontier. Many times has she moulded bullets for her husband and other men to fight the Indians, and prepared narrow strips of greased cloth to patch the bullets with. Her husband was a Ranger, and on one occasion captured an Indian girl and brought her to the Commander, Capt. Oakes. Many times the people suffered for bread and her husband, who died several years ago, went to Mexico after flour. The flour was high priced, dark and hardly fit to eat and Mrs. Brotze does not believe it was made from wheat. It tasted, she says, like it had cinnamon bark in it.

"On one occasion the men caught up with a band of Indians who had stolen a lot of horses and re-captured them and returned to D'Hanis putting the stock in a pen in the rear of Joe Ney's saloon for the night. The Indians followed the settlers and during the night succeeded in getting the horses again and carrying them off. They were again pursued, stock retaken and brought back, but this time a stricter watch was kept over them."

The union was a blessed and fruitful one. The departed gave life to children. She proved a faithful mother to them, devoting her life and energy to making a happy, healthy American Christian home. Gifted by nature with an optimistic disposition, the deceased was also fortified with an unflinching, simple child-like faith in your God and Savior. Unlike many who arrived from Europe and left their faith behind them, the departed lived in the fear of the Lord. And God richly blessed her so much so that truly he refuses to see who cannot see the hand of a good and gracious Lord guiding her throughout her long and useful life. Only one child preceded her in death, namely Robert in 1898 of typhoid fever. Her husband was taken from her side in 1893. The widow bore the heat and burdens of the day, cheerfully and with confidence that God is also a God of the widow and the orphan. Her comfort was found in the word of God and in prayer. Clinging to her native faith to the last, the deceased also made open confession of the same by being confirmed and becoming a communicant member of the St. Paul's Lutheran Church, Hondo, and as long as possible attended the same.

The departed was blessed with a strong constitution. She was always in comparatively sound health almost until her end. She had lived a very active life and was always well and robust. The sickness which resulted in death came on Thursday, August 14th. On the following Sunday she suffered from a stroke. She seemed to be positive that the Lord would soon call her to His own Home. After considerable suffering during which the deceased was semi-conscious, committing her soul to God he quietly fell into that sleep which shall be undisturbed until the resurrection day. She reached the ripe old age of 92 years, 2 months and 26 days.

Those who survive her are her 11 children, 6 daughters: Mrs. Emma King, Mary Brotze, Mrs. Jacob Reily, Anna Haby, Lena Metzger, Hedwig Wipff. Five sons are: Fredrick, Carl, Paul, Hugo and Ernest. She also leaves to mourn her end 20 grandchildren and 31 great grandchildren. The Pallbearers at the funeral were: Robert Richter, Guido Richter, Otto Brotze, Hilmer Brotze, Paul Reinhart and Jacob Reinhart. Interment was made in the Brotze cemetery near the old homestead, Rev. Walter Leibfarth, pastor of St. Paul's Lutheran Church, officiating.

The deceased made many friends and endeared herself to all with whom she came in contact. Her absence will be keenly felt by all. We shall let her rest undisturbed in her blessed peace in Christ Jesus. May the Lord of all comfort give grace and peace to those who mourn her departure.

CARD OF THANKS.

We take this means of expressing our heartfelt appreciation and of thanking our friends and neighbors for their kind words and deeds on the death of our beloved mother, Mrs. Caroline Brotze, and also for the beautiful offerings of flowers. We wish especially to thank Rev. W. C. Leibfarth for his words of consolation.

Sincerely,  
The Family.
